INDEPENDENT AUDITOR'S REPORT

To
The members of
DELTA INDUSTRIAL RESOURCES LIMITED

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **DELTA INDUSTRIAL RESOURCES LIMITED** (“the Company”), which comprise the balance sheet as at 31st March 2022, the statement of profit and loss and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2022, and the **net loss** (including other comprehensive income), statement of changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Financial Statements’ section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

S.No.	Key audit matters	Auditor’s response
-------	-------------------	--------------------

	<u>Revenue from operations</u>	Our audit procedure included the following-
(i)	According to Ind AS 115, revenue to be recognized on satisfaction of performance obligation and transfer of control pertaining to goods.	<ul style="list-style-type: none"> We assessed the company's process to consider the time of transfer of control of goods.
(ii)	Determination of transaction price for measurement of revenue according to Ind AS 115.	<ul style="list-style-type: none"> We performed year end cut off procedures to determine whether revenues are recorded in the correct period. We used assessment of overall control environment relevant for measurement of revenue. We performed testing of journals, with particular focus on manual adjustment to revenue account, to mitigate the risk of manipulation of revenue and profit figures.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and the auditor's report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the AS and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting

policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain a reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

New Delhi, the 25th day of May, 2022

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

In conjunction with our audit of the financial statements of the Company as at and for the year ended 31st March 2022, we have audited the internal financial controls with reference to financial statements of **DELTA INDUSTRIAL RESOURCES LIMITED** (hereinafter referred to as "Company") along with its subsidiaries, as of that date.

Opinion

In our opinion, the company, have, in all material aspects, an adequate internal financial controls system with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on "the internal financial controls with reference to financial statements criteria considering the essential components of internal control stated in the Guidance Note.

Management's Responsibility for the Internal Financial Controls

The respective management of the company, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, with reference to the financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained for the company to which we are independent auditors is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control with reference to financial statements to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2022

1. Corporate Information:

Delta Industrial Resources Limited (bearing CIN L52110DL1984PLC019625) was incorporated on December 19, 1984 under the Companies Act, 1956 with the Registrar of Companies, NCT of Delhi & Haryana. The Company had obtained Certificate for Commencement of Business on December 22, 1984 from the Registrar of Companies, NCT of Delhi & Haryana. The Company is listed on Metropolitan Stock Exchange of India Limited (MSEI) with [Script code: DELTA] and Bombay Stock exchange (BSE) [Script code: DELTA]

2. Significant Accounting Policies:

2.1 Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

2.2 Basis for preparation of financial statements:

The financial statements have been prepared in historical cost basis except for certain financial instruments which are measured at fair value or amortised cost at the end which is generally based on the fair value of consideration given in exchange for goods and services. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

2.3 Use of Estimates:

The preparation of financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

2.4 Critical accounting estimates:

2.4.1 Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

2.4.2 Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

2.4.3 Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.4.4 Effective Interest Rate (EIR) Method:

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments, restructuring and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments and other fee income/expense that are integral parts of the instrument.

2.5 Property, Plant and Equipment (PPE)

PPE are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage.

The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Depreciable amount of an asset is the cost of an asset less its estimated residual value.

Depreciation on PPE, including assets taken on lease, other than freehold land is charged based on Written Down Value method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of PPE	Useful life (in years)
Mobiles	5
Telephone	5

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss.

At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

2.6 Revenue recognition:

Revenue from contracts with customers are recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

2.6.1 Sale of goods: -

Revenue from sale of goods is recognized when the control over such goods have been transferred, being when the goods are delivered to the customers. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, risks of loss have been transferred to the customers, and either the customer has accepted the goods in accordance with the sales contract or the acceptance provisions have lapsed or the Company has objective evidence that all criteria for acceptance have been satisfied. Revenue from these sales are recognized based on the price specified in the contract.

2.6.2 Interest Income: -

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of the financial assets and it represents a rate that discounts estimated future cash flows through the expected life of the financial assets to the gross carrying amount of a financial assets.

2.6.3 Dividend: -

Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

2.6.4 Other income : -

In respect of other heads of income in the Company's accounts the income shall recognize on accrual basis.

2.7 Foreign currency transactions:

Foreign currency transactions, if any are recorded as exchange rates prevailing on the date of transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the date of Balance Sheet. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognized in the profit or loss.

2.8 Financial Instruments:

2.8.1 Financial Assets

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument and are measured initially a fair value adjusted for transaction cost.

Subsequent measurement: -

Financial Assets measured at Amortised Cost (AC) : Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Amortised cost is the cost of a financial asset adjusted to achieve a constant effective interest rate over the life of the financial asset.

Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI) : Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both (i) collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and (ii) selling of such financial assets.

Financial Assets measured Fair Value Through Profit and Loss (FVTPL) : Financial assets are subsequently measured at fair value through profit or loss unless they are measured at amortized cost or at fair value through other comprehensive income. For financial assets measured at fair value through profit and loss, all changes in the fair value are recognized in profit and loss when they occur.

De-recognition of Financial Assets: -

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

2.8.2 Financial Liabilities

Recognition and initial measurement: -

All Financial liabilities are recognized initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified as amortized cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at Amortized cost using the effective interest rate method.

De-recognition of Financial liabilities : -

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

2.8.3 Offsetting of Financial Instrument

Financial Assets and Financial Liabilities are offset and the net amount is reported in the Balance sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

2.8.4 Impairment of Financial Assets

Equity instruments, Debt Instruments and Mutual Fund: -

In accordance with Ind -AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for Financial Assets.

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets and unbilled revenue which are not fair valued through profit or loss. Loss allowance for trade receivables and unbilled revenues with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

Other Financial Assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

2.9 Inventories

Inventories are valued at cost or net realisable value, whichever is lower. Cost is determined on weighted average basis and includes cost of purchase and other costs incurred in bringing inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.10 Cash & Cash equivalent

Cash and cash equivalents Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.11 Taxation

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961. Current and deferred tax are recognized in profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income taxes are recognized in other comprehensive income or directly in equity, respectively. Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts. Deferred income tax is recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled.

2.12 Earnings Per Share

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

2.13 Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Assets and Contingent Liabilities are not recognized in the financial statements.
